

SILVERSWORD

Friends of Old Maui High School

Summer 2008

“Old Maui High will be a model of economic, social, architectural and environmental sustainability”

MASTER PLAN COMPLETED, WORK BEGINS TO REVITALIZE AND REUSE MHS CAMPUS

After months of work, meetings and discussion, Friends welcomed the completed *Old Maui High School Master Plan* - weighing in at almost two pounds! - with its site plans, evaluations and carefully-formed goals and policies which will provide guidelines for returning the once-neglected campus to new life and usefulness.

The professional planners, architect, surveyor, engineer and dozens of alumni and community supporters have produced thoughtful and technical proposals, phased in short, mid and long-term actions, which will be needed to complete the project, and establish the Patsy Takemoto Mink Center - “to create a unique and dynamic environmental education center that will be a show-place for sustainable living solutions.”

Friends, working with Maui county administration and planners, has begun work on implementing the short-term actions listed in the Master Plan. To rehabilitate the entire “historic campus”, including the existing school buildings, and have water, sewers, utilities and structures safe and

ready for use by 2013, a five-year plan will be submitted to the County of Maui and other funding sources, public and private.

By the end of August, an implementation schedule, with cost estimates and feasibility studies, will be prepared, as requested by Maui Mayor Charmaine Tavares. To ensure this detailed schedule is initiated, and that funds are secured for the essential infrastructure projects, Friends will hire a Preservation Project Administrator, who will assist in coordinating the work with government and community providers.

If all goes well, by 2013 - the Maui High School Centennial Year - many of the short-term goals set in the Master Plan will have been met, and the beautiful campus, with its sturdy school buildings, will be ready again to instruct and inspire.

If you want to be part of this remarkable rebirth of our dear island school, please consider making a tax-deductible donation to Friends. And do plan to come to the Centennial Celebration in 2013, to admire the results!

FRIENDS' OFFICE, ARCHIVE IN NEW QUARTERS

Now located in the former Commercial Education classroom (a 1952, 3,300-square foot cement block building behind the Administration Building), Friends' new office, MHS Ralph Kiyosaki Archive Collection, and meeting room boasts updated spaces, new air-conditioning, security systems, and a very welcoming atmosphere.

Displays cover several of the bulletin boards; pictured is a "Past-Present-Future" collection of photographs and artist's rendering of the proposed MHS campus and Patsy T. Mink Center as it could look when completed.

Other displays show memorabilia and photos of students and school days past, with items from alumni personal collections.

The Maui High athletic trophies are on display in the new office -- some fifty shiny reminders of football, baseball, track...even golf contests won by Saber

teams.

Now housed in archival condition is, Friends' collection of MHS yearbooks - from 1920s MaluNani with their paper covers to the cardboard and spiral-bound war years' editions of SILVERSWORD up to elaborate leatherette-covered 1960s. To make the collection complete, SILVERSWORDS for the following years are needed: 1916-1925; 1931, 1934, 1949, 1951, 1954, 1961-1963, 1965, 1966, 1968, 1969, 1971, 1972.

If you can help, please send MHS yearbooks to Friends now, or flag them to be given to the MHS Archive in the future.

WASHINGTON DC VISITORS TOUR MAUI HIGH

In January, Friends welcomed a group of Senate Appropriations Committee staffers and others for an informational tour of the old Maui High campus at Hamakuapoko. There to assist U. S. Senator Daniel K. Inouye's efforts to fund preservation and revitalization measures at the school were (right to left) the Senator's Legislative Assistant Van B. Luong; Meaghan McCarthy, Appropriations Sub-Committee staff; Carol Gentz, Manager, Maui County CDBG Program; Peter Rogoff and Bill Simpson, Appropriations Sub-Committee staff; Justin Gruenstein, executive assistant to Maui Mayor

Charmaine Tavares; and Jan Dapitan, Vice-President, Friends of Old Maui High School.

Friends is working with Senator Inouye's office to secure federal funds to assist with stabilization

and re-roofing of the historic 1921 MHS Administration Building. We will keep you informed as our grant request moves through the federal budget process.

FRIENDS SPONSORS PATSY MINK ESSAY CONTEST

On March 8 at the "new" Maui High School, hundreds of proud community members, alumni and notables gathered to dedicate the Patsy Takemoto Mink Girls' Athletic Field at the Kahului campus. To bring Patsy's accomplishments closer to today's students, Friends sponsored an essay contest on the topic: *How Title IX Changed Lives - The Legacy of Patsy Takemoto Mink*.

With the help of MHS American History teacher Christine Wada, guidelines and sources were provided, and soon the three Friends' judges were reading fourteen well-written and research essays. The essays included data about Patsy's accomplishments at Maui High, where she was a student leader and class valedictorian, and detailed her achievements in legislative efforts to provide equal opportunities for women and help for all to strive and accomplish their goals in life and in the workplace, as a Congresswoman who broke many stereotypes and gender barriers.

The photo shows First Place Essay Prize winner Dana Shiroma, (Left to right), with Christine Wada, and Second Prize winner Victoria Crim, posed in front of the beautiful bronze plaque unveiled at the event.

A MONUMENTAL PRESERVATION TASK BEGINS

In February, work was performed to halt deterioration of portions of the concrete Administration Building, where time and weather have caused rusting of old metal reinforcing (“rebar”), which then expanded and caused flaking (“spalling”), weakening parts of the window supports (“mullions”).

The preservation work began with “brushblasting” --- a light blasting with specially-formulated abrasive, followed by careful hand-cleaning. Next two coats of epoxy were hand-applied to a specific thickness to all the exposed rebar. This complex and costly process, designed by project architect Glenn Mason, concrete experts and structural engineer, will help stabilize the condition of the eighty-seven year old landmark building, keeping further deterioration at bay until the next step in its rehabilitation -- Raising the Roof!

MHS HISTORY BOOK WINS AWARD

The Spirit Lives On! - A History of Old Maui High School, has won a 2008 Historic Preservation Media Award given by the statewide preservation organization Historic Hawaii Foundation, at its recent Honor Awards Ceremony.

The awards committee commended the book “that reminds the community of memories created at Old Maui High...telling stories of the people who passed through the school, taking the reader past its active days to describe plans for preserving and revitalizing the historic campus in the future.”

Friends of Old Maui High School received the award as the book's publisher, with writer Jill Engledow and designer Cynthia Conrad noted in the commendation.

You can purchase copies of this award-winning book by mail (see form on page 7), or at the Friends' MHS campus office, by appointment. This is a book that should be on your bookshelf, next to those SILVERSWORD yearbooks you cherish! Order now to be sure your Maui High School days live on for you and your family.

REUNION PROVIDES CENTENNIAL SEED MONEY

Funds remaining after '07 MHS Reunion expenses were paid will be used for “another MHS Reunion and/or a Maui High School Centennial in 2013,” according to a resolution adopted by Friends' board at the request of the Reunion Committee. The seed money will be set aside for its designated use, providing a powerful head start for the next memorable alumni reunion event.

Friends' HONOR ROLL GROWS!

Since 2003 more than 1,000 Sabers have joined community and government to support the preservation and revitalization of old Maui High School! Now more than ever, Friends calls upon MHS alumni to assist with the continuation of vital programs, accomplishment of campus upgrades, and establishment of the Patsy Takemoto Mink Center. Won't you join your classmates on Friends' Honor Roll of contributors, and share the pride as old Maui High School moves towards a bright future. Mahalo!

MHS DIPLOMA PROGRAM FOR WW II VETERANS

To recognize the brave veterans who served our country during World War II, Friends is proud to join with the Hawaii Board of Education in its program that will allow these men and women to receive their Maui High School diplomas if they left school prior to graduation.

After the outbreak of WW II, Hawaii schools were closed until February, 1942, and when they reopened, they had lost nearly a quarter of their teaching staffs and a large percentage of high school seniors. When the war ended and veterans returned home, many were not in a position to complete their high school education. Instead, they entered the workforce, raised families and led fulfilling, productive lives.

The BOE diploma program honors WW II vets and their families, by awarding them their high school diplomas. Friends has arranged with the Board to distribute and collect the required WW II Veterans Diploma Program Application forms, and submit them for review and issuance of the Maui High School Diploma.

Photo from 1943 SILVERSWORD

All veterans who served in the United States Armed Forces from December 7, 1941 through December 31, 1946 are eligible. Diplomas will be awarded posthumously when applied for by their next of kin. Please contact Friends of Old Maui High School Veterans Diploma Program by mail at P. O. Box 792165, Paia, HI 96779 or download information and application at Friends' website, www.oldmauihigh.org.

You are only a thought away

Margaret Yamashiro Enomoto

It wasn't that long ago
You stood at attention,
Held your hand to your chest
Pledged your allegiance to begin your high school day

You arrived on a train, or on a bus, or perhaps walked to school in your saddle shoes,
Waving canfields, monkey pod trees, and ivy covered arches welcomed you.
With books in hand, a smile for your friend, prepared for class
You loitered in the hallway for a last glance.

You delighted in the sounds, and the scents that wafted through the air
Music from the band room, the tic-tac of typewriters, the roar from the machine shop.
The smell of chow fun captured your senses
While visions of apple crisp danced in your head.

As a student leader, member of a service club, JPO, FFA, Glee club.
As a player of sports, you donned the Saber outfit,
With a gift of competitiveness and eagerness to serve
You stood tall and proudly represented Maui High School.

You left your footprint on this Hamakuapoko campus;
Your spirit in the sturdy concrete walls.
You sprawled on the lawn, checked out the Silversword
Chatted of proms, the war, the summer job of picking kiawe beans

The words you uttered, songs you sang are imbedded in these surroundings
These indelible marks remain here for us to remember and rejoice.
To you our departed classmates and friends, we celebrate your life
With warmest love and aloha,for you are only a thought away.

*M*ingled with the fun, music, luau and general air of celebration at the memorable September 2007 MIIS Reunion was the sadness that many friends and classmates were missing from the event. Names were mentioned...faces recalled...pranks joked about...and fond memories discussed throughout the days of reliving schooldays gone by. At the Memorial Service on Sunday morning, Margaret Yamashiro Enomoto, Class of 1954, read this poem, which she wrote to recognize those departed classmates whose lives were intertwined in our days at old Maui High School.
